ASSESSMENT REQUIREMENTS

The BSB41419 Certificate IV in Work Health and Safety is competency based. You will have assessments to complete externally to the classroom which will provide evidence that you have understood the training and applied it to the workplace.

This requirement means that it is not possible to complete all of the assessment requirements during the face to face training.

ASSESSMENT METHODS

Students are required to complete assessment tasks for each module which typically include:

- Knowledge questions
- Practical tasks such as conducting audits, risk assessment and incident investigations

You will complete your assessments in Canvas. Canvas is a web-based learning management system that is used throughout the course. This is where you will have access to learning resources and project templates.

Canvas is also the platform you will use to complete knowledge questions and projects to submit for assessment.

ASSESSMENT TIMEFRAMES

Students have up to 12 months to submit their assessments. Please be aware this is a maximum time frame and is greatly dependant on your current job role and pre-existing skills and abilities. You can submit your assessments at any time after attending the face to face component. The actual time for completion varies between students.

REQUIRED RESOURCES

- Trainwest will provide a full set of learning and assessment materials to learners for all units of competency. Trainers will utilise detailed lesson plans and customised Power Point presentations.
- A laptop that enables you to access the internet via Wi-Fi is essential. Please note that Microsoft Office Suite is required to be installed.

Assessment is to be completed after the face to face training. The volume of learning of a Certificate IV qualification is typically is typically six months to two years.

SUPPORT PROVIDED

Trainwest provides ongoing support to students throughout the duration of the program via email and telephone. We also offer post course support workshops at no additional charge which will provide students with the opportunity to have time away from the workplace to work on assessments with support from the Trainwest Trainer and Assessor. Each student has access to 30 minutes one on one coaching free of charge. Additional one on one coaching is available at an hourly rate for those who need it.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is available for this qualification.

RPL is an assessment based pathway and is suitable for those who already have the skills and knowledge in one or more of the areas which make up the BSB41419 Certificate IV in Work Health and Safety and do not wish to undergo further training. For those considering RPL please speak with the Trainwest Student Support team. The Student Support Team will make an initial assessment of suitability and discuss the RPL process before sending an application kit.

NATIONAL RECOGNITION

Trainwest recognises qualifications and statements of attainment issued by other Registered Training Organisations and under the Australian Qualifications Framework. If you have previously completed any nationally accredited training, please include your certificates and transcripts with your enrolment application for credit review.

CERTIFICATION: Upon successful completion participants will receive the BSB41419 Certificate IV in Work Health and Safety. Upon completion of individual units of competency, participants will receive a Statement of Attainment which is a progression towards the BSB41419 Certificate IV in Work Health and Safety. This is a nationally recognised qualification.
