RIIRIS501E
Support Workshop

Enhance Your Success in RIIRIS501E with Targeted Support

This workshop is designed exclusively for Trainwest students enrolled in **RIIRIS501E Implement and maintain management systems to control risk**.

Gain practical insights, ask questions, and deepen your understanding of the unit's key concepts in a focused and supportive learning environment.

Whether you're preparing for assessment or reinforcing your knowledge, this session will help you approach your studies with confidence.

Course Overview

The **RIIRIS501E Support Workshop** is designed to provide an overview of the assessment tasks and facilitate the completion of key portfolio components. Students will engage in structured activities to generate, refine and submit assessment documentation.

Recommended For

This workshop is for students enrolled in our **RIIRIS501E Implement and maintain management systems to control risk** course through Recognition of Prior Learning (RPL).

Delivery Modes

Choose from a range of flexible delivery options:

Face-to-Face Classroom

Attend one day of face-to-face, in-person training, 8:30am to 4:00pm, at the Trainwest Training Centre.

Virtual Classroom

Attend the face-to-face training through Microsoft Teams. The virtual classroom is ideal for students who prefer structured real-time sessions with Trainer guidance but are unable to attend the face-to-face classroom.

Course Requirements

To be eligible for this course, students must meet the following course requirements:

Prerequisites

Students must be enrolled in Trainwest's RIIRIS501E Implement and maintain management systems to control risk course.

Student Resources

Students need to have the following resources:

- Laptop with Wi-Fi capability, a USB port, and Microsoft Office
- Remote students attending the virtual classroom also require Microsoft Teams.

Course Fees

Tuition Fee	$200 + GST
