## Delivery Modes

Choose from a range of flexible delivery options:

### Self-Paced Learning

Self-directed students complete the course via our Canvas LMS and receive remote support over the telephone, email, and Microsoft Teams. Please speak with our Student Services Team for more information.

### Virtual Classroom

Attend the face-to-face training and assessment session for the TAEASS413 Participate in assessment validation unit of competency in a virtual classroom environment through Microsoft Teams. This mode allows real-time interaction with Trainers and peers while participating from any location with internet access.

## Assessment Requirements

To achieve competency, students are required to complete a range of assessment tasks that reflect real-world skills and knowledge relevant to the course. These include:

- Knowledge-based questions to test understanding
- Video and audio evidence of practical demonstrations
- Projects applying learnings in a real-world context.

Students must demonstrate their ability to meet all assessment criteria to be deemed competent.

Students will receive feedback on their self-paced learning assessments within 7 days.

### Canvas LMS

Canvas is our online learning platform that provides students with 24/7 access to course materials, assessments, communication tools, and progress tracking. Students can view and download training resources, submit assessments, receive feedback from Trainers and Assessors, track key dates and progress, and participate in online discussions. Canvas helps students stay organised, connected and engaged throughout their learning journey.

## Skills Recognition

Students may be eligible for recognition of prior learning or credit transfers, reducing the time and cost of their studies.

### Recognition of Prior Learning

Recognition of prior learning (RPL) is an assessment process that acknowledges skills and knowledge acquired through formal, non-formal, or informal learning. This pathway allows students to gain recognition for competencies they have already developed, potentially leading to the awarding of a unit of competency or qualification without additional training.

To apply for RPL, please contact our Student Services Team. They will assess the student's suitability and discuss the process before sending an application kit.

### Credit Transfer

Credit transfer allows students to receive recognition for equivalent units of competency they have successfully completed. This process ensures that students do not have to repeat training for units they already hold.

To apply for credit, students must provide evidence of the completed unit, which may include a qualification certificate or transcript, statement of attainment or USI transcript.

## Course Duration

Students have up to 12 months to complete this course. The time frame for completion varies between students depending on their current job role and pre-existing skills and abilities.

Students can complete the course earlier or extend the duration for up to 18 months if required.

## Course Outcome

Upon successful completion, students will receive the nationally recognised qualification **TAE40122 Certificate IV in Training and Assessment**, which includes a Testamur and Record of Results certificate.

If students do not complete the full qualification, they will receive a Statement of Attainment for all successfully completed units of competency. This is a progression toward the nationally recognised qualification.

# Course Requirements

To be eligible for this course, students must meet the following course requirements:

## Entry Requirements

Students must demonstrate vocational competence in their proposed training and assessing area. Vocational competence includes broad industry knowledge and experience and may involve holding a relevant unit of competency or qualification.

## Language, Literacy, Numeracy and Digital Skills

Students need the following level of language, literacy, numeracy and digital (LLND) skills for this course:

- **Reading:** Ability to interpret training products, assessment instructions, and policies and procedures.
- **Writing:** Skills to develop learning and development plans and maintain assessment records.
- **Communication:** Ability to engage with groups, adjust language for different audiences, and build rapport.
- **Numeracy:** Basic number skills to manage timeframes and interpret relevant data.
- **Digital Literacy:** Ability to conduct online research, navigate files and folders, and create training aids.

## Student Resources

Students need to have the following resources:

- Laptop with Wi-Fi capability, and Microsoft Office Suite (Microsoft 365). Microsoft Teams for remote support is recommended.
- Access to a workplace, or simulated work environment, to complete post-course practical assessments, including:
  - A group of at least four (4) individuals to deliver a series of structured group-based training sessions
  - At least two (2) individuals for one-on-one facilitation
  - A person to participate as a mentee in three mentoring sessions.
- For self-paced learning, students will need to have the following additional resources:
  - A group of people to participate in assessment validation
  - Two (2) individuals to conduct the assessment, under the supervision of a Trainwest Qualified Assessor.

## Eligibility and Selection Criteria

Students will complete an LLND assessment and *Pre-existing Skills and Knowledge Checklist* prior to enrolment to ensure the course is suitable.

A Training Specialist will conduct a short support call that includes a discussion regarding the digital requirements of this delivery model.

## Student Support

Trainwest supports students throughout their learning journey, ensuring they have access to the resources and guidance they need to succeed.

### Support includes:

- **Trainer & Assessor Assistance:** Our experienced Trainers and Assessors provide guidance, feedback and support throughout the course.
- **Flexible Learning:** Learning materials, feedback, and assistance are accessible whether studying in person or remotely.
- **Support Workshops:** Free [workshops](#) are available to help students complete their assessments.
- **Personal Coaching:** Access one-on-one support with a Trainer and Assessor, with the first two 30-minute sessions provided free of charge. Refer to the information below for the specific coaching support not included in the free sessions.
  - **Scheduled Meetings for Self-Paced Learning:** Students have an opportunity to meet with their Dedicated Training Specialist to support them in navigating the course, set goals and seek support.
  - **Digital Support:** Where digital resources are provided (e.g. Canvas LMS), support is available to assist students with login, navigation, and downloading content.
- **Wellbeing Support:** Wellbeing services and referral options are available to assist students in managing personal or study-related challenges during the course. The [Australian Counselling Service \(ACS\)](#) provides our students with free, confidential counselling support designed to assist with study-related stress, anxiety, motivation, life changes, and general wellbeing.

## Next Step

### Ready to apply?

Visit our website to view upcoming course dates and submit an enrolment application. Scan the QR code or [click here](#) to get started.

To ensure the course is suitable and that the necessary support can be provided, all applicants must complete a pre-enrolment process.

Once you complete the online enrolment form, our team will review your application and eligible students will be invited to complete a Language, Literacy, Numeracy and Digital (LLND) skills assessment.

After reviewing the LLND results, our team will provide individualised advice on course suitability before finalising the enrolment.

This process helps us confirm that the course aligns with the student's current skills and learning needs.
